Chick and Duckling's Christmas

Hi my name is Logan and I'm seven. I like the book Chick and Duckling's Christmas because it's about Jesus's Birth and there is a candy cane on each page. Me and my sister had a lot of fun finding the candy canes on each page and singing the songs on the pages. I also liked the pictures in the book because they are colourful. The words are easy to read because they all rhyme. think other kids would love to read

this book at Christmas because it's a fun Christmas book and they will love seeing Chick and Duckling on each page.
